1. As indicated in the attached diagram, the Albanian Workers' Party propaganda is directed by the Political Bureaus,¹ which are subordinate to a Directorate of "Press and Propaganda" in the Central Committee of the Workers' Party. Tuk Jakova was chief of the Directorate.
2. Thus, the Propaganda Directorate sends instructions to the Political Bureaus of the various komiteti. These instructions are then read at a meeting of the Regional Committee of the Workers' Party of the komitet.
3. The Regional Committee in turn has a Propaganda Section which gives instructions to the organizational base of its area. These instructions are received by the responsible officer of the organizational base, who is also the "enlightener." He communicates the instructions to the Youth Organization, Women's Organization, Democratic Front, People's Councils, and to the Committees of the Red Cross.
4. The propaganda officials are checked, kept under surveillance, and "reinforced" by agents of the Sigurimi. The commander of the Sigurimi of a komitet is also a counselor of the Political Bureau of the komitet.
